Dear Yuri
I'm so sorry we can't be with you in Silicon Valley for the 2014 Breakthrough Awards event.
A really great contribution of you and your colleagues to Science and scientists, pushing forward the limits of human knowledge and motivating some of the brightest youngsters on earth to Go Science.
Congratulations.
Hope to be able to join next year
N.B. We've just got the album of pictures from the Aspen Weekend event. Great moments. Thx.
Best regards to Julia
